*mw*

Pursuant to Local Rule 83.5(b), I ask the Court to permit me to use the Court's ECF system as a Filing User for the purposes of this lawsuit only.

Granting this motion would benefit the administration of justice by reducing the costs to serve documents for me, the three Defendants, and this Court. In addition, it is likely that I will be able to learn how to use the ECF system, since I have a Ph.D. in physics and I work regularly with computers.

Respectfully submitted,
